ARMED ROBBERY – VICTIM STRUCK IN FACE HANDGUN DISPLAYED

The Beaverton Police are continuing their investigation into a reported Armed Robbery that took place in the early morning hours of Sunday, October 9, 2004.

The WMA victim reported that he had just left a café/bar located in the Murray Hill Shopping Center at apprx. 1:15 am and had apparently left his wallet in the bar. As he walked in the vicinity of SW Teal and SW Quail Lane, he was approached by two suspects; one of which handed the victim's wallet back to him and stated, "We want money."

In replying back to this suspect and apparently unsatisfied with the victim's answer, the suspect then 'head butted' the victim in the mouth. The same suspect then displayed a black handgun that he removed from his waistband.

The suspect then said to the victim, "Let's Go", and motioned the victim to walk to an ATM machine located in the vicinity.

The victim extracted an un-disclosed amount of money from the ATM and handed it to the suspect. The victim was then able to run from the area and hide from the suspects.

The suspects were described as:

#1 – White Male Adult, early twenties in age, 5'11, 170 lbs, short straight blonde hair with goatee. He was wearing a blue and white striped polo shirt with khaki colored cargo pants.

#2 – White Male Adult, early twenties in age, 5'8, 150 lbs, short – curly light brown hair.

(#2) – He was wearing a white shirt with a logo on the left breast area and baggy blue jeans.

In addition to cash taken from the victim at the ATM, suspects also took the victim's cell phone and Oregon Driver's License.

Anyone with information regarding this case is asked to call the Beaverton Police Department Criminal Investigative Division at 503-526-2280.
